CARY, N.C. – John Deere announced it will not extend its current commercial mower design and manufacturing arrangement with Wright Manufacturing beyond May 2016. The alliance began in August 2012, enabling [Deere](#) to bring industry-leading technology and designs to the market and allowing [Wright](#) to enhance its manufacturing and quality processes. Deere said it remains firmly committed to the professional landscape equipment business and will continue to develop its product line independently.
