

Nufarm Launches Benefit Program for Project EverGreen's GreenCare for Troops

Source: www.TurfMagazine.com

MORRISVILLE, N.C. – [Nufarm Americas](#) is giving back to those who serve with their Memorial Day Benefit. With every purchase of Nufarm's Spectro 90 WDG Camo Pack, Nufarm will donate \$15 to [Project EverGreen's GreenCare for Troops](#) program.

Spectro 90 WDG combines two broad-spectrum fungicides to prevent and control disease in turf, annual and perennial flowers, as well as bedding plants, groundcovers and trees and shrubs. Now through Memorial Day week, lawn care operators can purchase Spectro 90 WDG to better green spaces for their customers and military families alike.

[Project EverGreen's](#) GreenCare for Troops is a nationwide program that connects local lawn care and landscape professionals with wounded or disabled veterans and active-duty military families to help lessen the burden of maintaining their lawns. Already in their ninth season, they provide free lawn and landscape services so that families can enjoy well-manicured lawns all season long.
