Shasta Landscaping, Inc. was awarded the President's Award by the California Landscape Contractors Association (CLCA), San Diego Chapter for its green roof project at the Charles David Keeling Apartments at University of California, San Diego.

Also, Shasta received two more honors from the CLCA San Diego for work at the Origen Model homes in Mission Valley.

Our team is thrilled to be recognized by the CLCA for our work," said Paul Tilley, vice president, Shasta Landscaping, Inc. "We are especially excited to be recognized for our green roof. This was our first green roof and the first of its kind at a San Diego University."
