MADISON HEIGHTS, Mich. – SnowEx gave away a free SR-210 wireless spreader at the second annual U.S. Lawns Snow Summit, held August 24-25 in Nashville, Tenn. The winner was drawn at random from a group of attendees who registered at SnowEx's booth.

The Snow Summit features a series of seminars and an expo for U.S. Lawns franchise members. With this year's attendance nearly doubled, members received valuable tools, training and support needed to grow their businesses. SnowEx further supported this mission by holding a drawing for a free spreader, which was given to U.S. Lawns of St. Clair Shores in Michigan. Working closely with U.S. Lawns is a real privilege," said James Truan, vice president of sales and marketing at SnowEx. "And we're happy to give back to the industry with the drawing for the free spreader."

SnowEx is a product division of TrynEx International. Other TrynEx brands include TurfEx turf care equipment and SweepEx broom attachments.
