Terex Aerial Work Platforms, a business segment of Terex Corporation, has appointed Patrick Gaul as sales territory manager for Missouri, Kansas, Iowa and Nebraska. Gaul will be responsible for supporting customers in the region and the development, execution and growth of Genie product sales in these states. Gaul will report to Paul Waller, central regional vice president of sales, and cover all AWP accounts. ❌

Gaul graduated from Colorado State University. After 9/11, he enlisted in the Army and attended Officer Candidate School (OCS) and was commissioned as an infantry officer. He served two deployments in Iraq between 2003-2006 and left active duty as a captain. Gaul then joined the Army Reserve and worked in the defense industry selling and developing products to the government.
